120 SERIES SLIM MARKER W/GUARD ECVML122(x)

When used with guard, the gasket from the 120 Series light must be removed and the alternate, square ended gasket is to be used. The gasket is used to seal holes in the vehicle for installation.

IMPORTANT:

Only one gasket (with square ends) is to be used with this installation.

IMPORTANT:

Remove gasket with rounded ends that is attached to light and discard.
