520 Chromed Bezel
#ECVMLDP1CB
(marker light sold separately)

520 Chromed Bezel

Features

- Dress up your vehicle with our 520 Series Chromed Bezel
- Designed for use with all our 520 Series LED Marker lights
- Bezel is sold separately and includes mounting screws and a thin neoprene gasket
- Made from a durable ABS plastic and given a shiny chrome finish with a vacuum metalizing process
- Vacuum metalizing is commonly used in the automotive industry to give plastic materials a chrome-like finish
- Vacuum metalizing is a much more environmentally friendly process and less expensive than chrome plating or chrome painting
- Bezel is given a clear topcoat seal for automotive use
- Cleans up easily with a damp soft cloth (do not use household cleaners to polish as this may leave a hazy residue)
- Dimensions of bezel: 6.44" length x 2.85" height x 0.53" depth
- Mounts on 3.62" centers
