CARGO WARNING TRUNK LIGHT

by SoundOff Signal

- **LED3 Cargo Warning Trunk light offers bright trunk illumination with a distinct safety advantage** - when the trunk is open powerful LED3 Mini Lights provide a critical rear warning signal
- **Vehicle Specific Brackets available** for Ford Crown Victoria Brackets, Chevrolet Impala or Dodge Chargers
- **Integrated Interior LED Cargo light** with 3 bright white Gen3 LEDs that clearly illuminate dark cargo/trunk areas - no more fumbling around in the dark (see pg. 67 for info on the LED Strip Light, #ETULT12W)
- **LED lights feature a low amp draw** that won't burden your electrical system
- **Light Sync Technology to synchronize your lights**
- **Interior cargo light is easy to install** with a simple 2-wire connection - light has a 20" wire length
- **Each LED3 end module has 18" of shielded cable**
