

GHOST L.E.D. DECK, GRILLE LIGHT WITH STOP, TAIL FUNCTION

EGHSTT(x) - Black

EGHSTT(x)W - White

Screw Mount

Drill hole with #27 (Ø.144") drill bit

Adhesive Mount

1"x1.25" Pads

TECHNICAL SPECIFICATIONS

Overall Dimensions:	4.0"L x .94"H x 2.06"D
Input Voltage Range:	12Vdc
Current Consumption:	<1 amp
# of LEDs:	6 Generation 3 LEDs
Operating Temperature:	-40° to +65° C

INSTALLATION:

- Screw Mount**
 Establish a position on the vehicle. Use the mounting slots as a template to mark hole locations. Drill a hole using a #27 (Ø.144") drill bit. The Torx screws provided are self-tapping.
- Adhesive Mount**
 To obtain optimum adhesion, the bonding surfaces must be clean and dry. Peel one side of each adhesive mounting patch provided. Apply each rectangular patch to the bottom of the GHOST housing. Position the GHOST on the vehicle and mark 2 edges of the location using tape. Peel the remaining paper from the adhesive patch and carefully position the light using the tape template. Press down on housing firmly to insure good adhesive contact. Important: Apply carefully; adjustment is not possible after the adhesive bonds. Ultimate strength of adhesive is achieved after 24 hours.

Loosen the two #10 TORX screws on the back the housing to adjust the angle of the GHOST. After adjustment, tighten the TORX screws.

OPERATION:

FOR STOP/TAIL (Note label on lens)

The EGHSTT(xx) functions as a Stop/Tail light.

- With the Red wire attached to +12Vdc and the black wire connected to ground, the light will act as a tail light.
- When +12Vdc is applied to the White Wire, the Stop function will be activated.

IMPORTANT: DO NOT connect this device to a strobe power supply.

NOTE: The GHOST is a factory sealed unit that CANNOT be serviced in the field. Any attempt to gain access to the GHOST unit will most likely cause permanent damage and void its warranty.

WIRE HOOK-UP TABLE

WIRE COLOR:	CONNECT TO:
RED (Tail Light)	+12Vdc
BLACK	Ground (-)
WHITE (Stop)	+12Vdc

! WARNING

This product is NOT certified as primary Stop/Tail/Turn light.
