grid

light

The
Industry's
First
Tricolor
Pod.

Why Grid Light?

- Features a silicone lens: withstands usage and mother nature, scratch-resistant, high UV characteristics
- Compatible with our bluePRINT® system
- Customizable in both LED lighting colors and size and mount options
- Offers intense visibility

- Silicone-based innovation since 2016; superior lenses to conventional polycarbonate options
- Family of products from perimeter lights to full-size lightbars
- Rugged construction from environmentally-safe materials
- Hundreds of configurations including secondary flash or steady-burn options

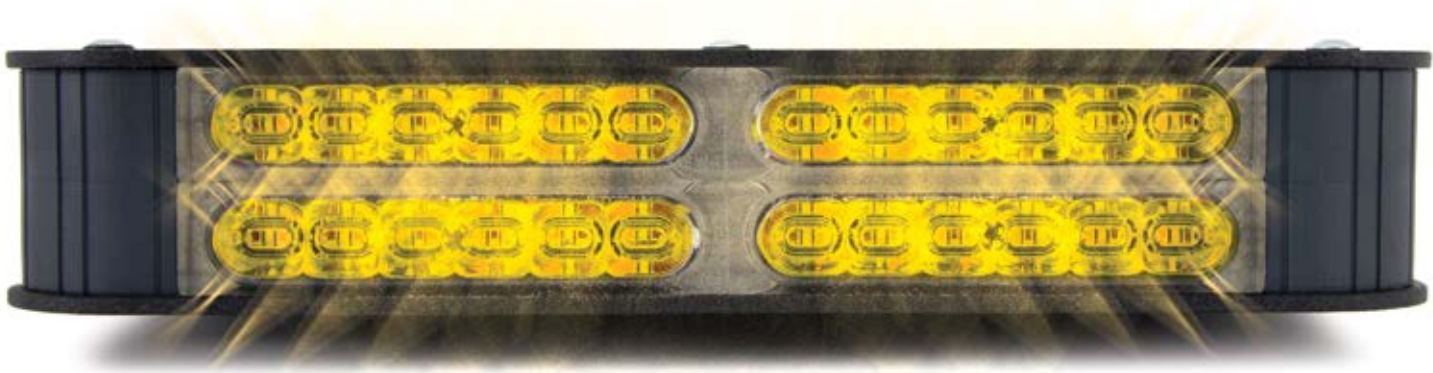

The **bright** tool for the job.

VERSATILE FOR MANY VEHICLES

Amber heavy-duty trucks:

DOT vehicles • Municipal snow plows • Dump trucks • Marine vessels
and many more

Fire and Ambulance vehicles
