**REACH Initiative**  
**RoHS Directive**  
**SVHC**

Date: June 22, 2016

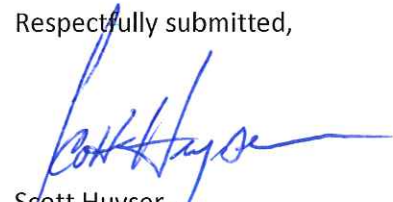

**REACH. SVHC – (EC 1907 / 2006)** A European Chemical Agency (ECHA) proposal of Substances of Very High Concern. Article 33(1) of the REACH Regulation states that manufactures and importers of articles (products) are required to notify their customers of the presence of any Substances of Very High Concern (SVHC) in their products exceeding 0.1% by weight.

**RoHS 2 (2011/65/EU)** – An EU Directive aimed at restricting the use of six (6) substances in electrical equipment produced or imported into the European Community member countries.

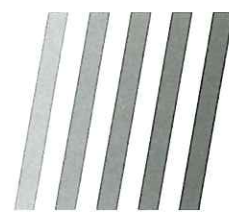

**At this time, all parts supplied by SoundOff Signal are in compliance with the Regulations or Directives stated above. None of the products we provide utilize substances / chemicals, as stated in these regulations, in either our processes or in the composition of the materials utilized in producing them. Further, the products SoundOff Signal provides are such that none of the substances contained in our products are intended to be released under normal or reasonable conditions of use.**

SoundOff Signal will continue to monitor the above Regulations for any changes that may involve our products in the future.

Respectfully submitted,

Scott Huyser  
Director of Manufacturing
